

WE ARE HERE FOR LA

Our 28 Centers for Community Well-Being are here to support all impacted by the wildfires.

Here for LA, since 1882.

The Y has been here in LA for 143 years. While the Palisades-Malibu Y was lost in the fire, our resolve to serve grew – together, we will rebuild. Our deep roots allowed us to mobilize quickly to support tens of thousands of families and individuals affected by the wildfires, with several critical initiatives:

- Free emergency childcare for first responders and displaced families
- Direct support services at Y centers, evacuation centers and hotels housing evacuated residents
- Case management services connecting affected families with critical resources
- Extended facility hours and expanded programming across our network
- AmeriCorps volunteers stationed at every operational Y center providing direct support

We are a part of the very fabric of our communities – there was no question for us to put our resources behind helping our neighbors to rebuild and restore their lives.

– Victor Dominguez

President & CEO, YMCA of Metropolitan Los Angeles

600+

Children provided emergency childcare

10K+

Impacted Individuals and families served

25,000+

Volunteers mobilized

CAMP SUPPORT

JosephSilvas@ymcala.org

For those who lost their home or place of residence* in the wildfires, the LA Y is providing immediate, comprehensive support including:

- Well-Being Coordinators will be available at each center to help navigate and coordinate care, track progress and plan long-term recovery
- The household will receive free membership and full no-cost access to all LA Y facilities and programs (such as robotics, dance, sports and more) for the remainder of 2025
- Free childcare: Before & Afterschool, PLAY, Preschool
- Children will receive priority placement in youth programs
- Free summer day camp
- Free sleepaway summer camp
- Free mental health services, distribution services, support networks, wraparound services and referral support

For those significantly impacted by the wildfires* the LA Y is providing support including:

- Subsidized membership for individuals or families to LA Y facilities and programs
- Case management access to coordinate resources and plan recovery
- Access to free mental health services
- Access to free virtual learning and homework support for children and teens
- Expanded infant and toddler childcare and support at the Burbank YMCA
- Expanded Early Learning Readiness programming availability
- Free mental health services, distribution services, support networks, wraparound services and referral support

*Determinations of impact are based on address verification and are evaluated on a case by case basis to ensure all are supported to the fullest extent we are able.
